

AmiTox DC™

Clarifying Detox

5 key benefits

Detoxifying: contains specific ingredients that help detoxify organs throughout the body

Cleansing: supports lymphatic, blood, liver, intestinal and colon cleansing

Liver Support: helps the body support healthy liver function

Parasites: helps the body create an unfriendly environment for parasites

Skin: helps the body detoxify the skin, helping support issues including eczema and psoriasis

AmiTox DC™

Clarifying Detox

You've never detoxed like this before. AmiTox DC™ contains twelve proven, effective ingredients to address deep clarifying needs in the colon, liver and gut, kidneys, spleen, lymph, skin and nervous system.

Key Ingredients:

Manjistha Root Extract is a far-reaching, keystone herb for detox that stimulates lymph flow and supports clear skin

Cascara Sagrada Bark Extract is used as a laxative to help stimulate the mucosal lining of the colon.

Bentonite Clay helps alkalize the body and pull toxic pathogens and environmental toxins out of the body.

Activated Charcoal is derived from coconut shells, wood, or peat and works as microscopic traps to take up toxic compounds and particles.

Holy Basil Leaf Extract is one of the most highly valued adaptogenic herbs which supports kidney health and healthy blood sugar levels,

Oregon Grape Root uses include managing both liver congestion and infectious conditions of the stomach and intestines,

Barberry Extract is a traditional bitter tonic that helps support liver functions and cleanses a congested system.

Also Contains:

Clove Stem Powder, Wormwood Leaf and Stem Powder, Black Walnut Extract, Pumpkin Seed Powder, Milk Thistle Extract

Product Use: Take 3 vegetable capsules daily as part of a deep clarifying detox.
Take 1 vegetable capsule per day as a maintenance serving.

Complementary Product: Combine with Solle Naturals' GoodFibrations™ clarifying fiber as part of a deep clarifying detox.
