

A custom blend of 100% pure essential oils designed to bring your mind and body comfort and joy. This special blend enhances self-image, boosts immunity, and promotes feelings of safety, security and optimism. Bring joy to the head, heart and soul with Solle Comfort.

Ingredients:

Solle Essentials® Lift:

cinnamon, blood orange, pink grapefruit, lime, ravintsara
Promotes optimism and hope, enhances self-image, boosts immunity, helps the body regulate blood sugar levels and lifts your spirits so you can be your true self.

Oregano, *Origanum vulgare*:

A heating, stimulating oil to facilitate lung function, immunity, circulation and combat PTSD, self-doubt and heartache from a toxic relationship.

Elemi, *Canarium luzonicum*:

A lymph and immune supporting oil, that infuses compassion, promotes peace and a tranquil heart, especially when emotions are cold.

Solle Essentials® Clarify:

lemongrass, rosemary, spearmint, black pepper, fennel, sweet basil
An anti-inflammatory blend which promotes cellular health that can lead to increased gut health, brain function and decision making, while decreasing stagnation.

Eucalyptus, *Eucalyptus globulus*:

A respiratory supporting oil that assists lung and bronchial function, creating movement when you need room to breathe and the ability to move forward. Helps combat feelings of guilt and resentment.

Lemon, *Citrus limonum*:

A cooling, liver-supporter to combat sluggishness, self-doubt, fatigue, trust issues and inner conflict. Encourages happiness.

Solle Essentials® Balance:

lavender, palmarosa, may chang, geranium, frankincense
Restores harmony, balance, energy and mood while reducing stress, promoting restful sleep patterns and overall balance – physically, mentally, emotionally and spiritually.

Cedar Atlas, *Cedrus atlantica*:

A warming kidney-supporting oil to help combat depression, anxiety and melancholy, and promote spiritual harmonization.

Carrier oils:

Sunflower, jojoba, vitamin E
