## Fields of Flowers®

**Fields of Flowers®**, a homeopathic formula, is a unique combination of the 38 traditional flower essences with each one long associated with a key element of emotional concern. Many practitioners find that addressing the emotional state of the patient is an essential component of their healing strategy and of the patient's general well-being, making **Fields of Flowers** one of the most popular Energetix products.

### Indications

For occasional symptoms such as fear, despair, anxiety, compulsiveness, worry, despondency, intolerance, withdrawal, irritability, aggressiveness, impatience, obsessiveness, and apathy.
