

GoodTract

14 Day Cleanse Package

The GoodTract 14 Day Cleanse Package is a product package designed to cleanse the colon and detoxify the whole body! This combination of supplements will get you on a "GOODTRACT" toward your health goals.

5 Key Benefits

SolleVital®

Detoxing: Chlorophyll is great at helping the body eliminate toxins **Alkalizing:** The plants included in Solle Vital are very alkalizing,

which promotes a feeling of well-being.

Recovery: Restores minerals and helps to oxygenate blood. **Balancing:** Helps the body to balance and elevate your mood and to have a healthy stress response.

Energy: Adaptogens help the body maintain energy levels throughout the day.

FasTract®

Laxative: helps stimulate the mucosal lining of the colon **Cleansing:** activates the colon to help reduce transit time **Intestinal Support:** helps soothe and build the intestinal system **Adaptogen:** neuro-protective benefits supporting mood, memory and conditions of inflammation.

Prime Chlorophyll Blend: helps detoxify, alkalize and create a feeling of well-being

AmiTox DC®

Detoxifying: contains specific ingredients that help detoxify organs throughout the body

 $\textbf{Cleansing:} supports \, lymphatic, blood, liver, intestinal \, and \, colon \, cleansing$

Liver Support: helps the body support healthy liver function

Parasites: helps the body create an unfriendly environment for parasites **Skin:** helps the body detoxify the skin, helping support issues including eczema and psoriasis

GoodFibrations®

Soothing: contains herbs and fibers that help settle and soothe the stomach and digestive tract

Tastes Great! Uniquely formulated with Ginger and Pear for a great-tasting experience

Cleansing: the different types and sizes of fibers in GoodFibrations help cleanse and detox your digestive and intestinal systems

Detoxifying: helps the body sweep the intestinal tract to reduce transit time in the colon

Cholesterol: contains 6 grams of fiber per serving to help your body maintain healthy cholesterol levels.
