The Bella Health Package is designed to balance healthy bacteria in supporting the GI Tract, promotes elimination of the bowel, balance blood sugar, cortisol, and stress, while helping us Empower our Health.

How to do the Bella Health Program:

This is a daily supplement program that includes a morning drink, afternoon drink, capsules before meals and evening.

SolleVital 1 packet between 12pm and 4pm

CinnaMate 1 packet between 7am and 10am

Verdezymes 1 capsule before breakfast, 1 capsule before lunch, and 2 capsules at bedtime

ProBio IQ 1 capsule in the morning and 1 capsule at evening

In many languages **Bella** means “Beautiful”

Bella = “Beautiful” in French, Spanish, Italian, Portuguese, Latin, and Greek

In order to move forward in any “DIS – EASE” we need a Beautiful Gut, let’s make that change with this **30-Day Bella Health Gut Restart**.
